Re: Notice of Failure to Provide Material Information
In re Johnson & Johnson Talcum Powder Marketing, Sales Practices and Products Liability Litigation – MDL No. 2738

Dear Counsel,

This is to notify you of the failure by the plaintiff(s) referenced below to provide material information required in the Plaintiff Profile Form ("PPF") by the deadline prescribed in the Court's June 4, 2020, Order ("Order"). We are still in the review process and additional deficiencies may be noted later.

Pursuant to the Order, plaintiffs in the 1000 Selected Cases were required to serve upon Defendants via MDL Centrality a **complete** and verified PPF, certain core records, and an executed Limited Authorization to Disclose Health Information within 90 days of the Order, which fell on Wednesday, September 2, 2020.

Plaintiffs have three days from the date of this correspondence in which to comply fully with the requirement to submit a **complete** PPF. After three days, Defendants will move to dismiss with prejudice the cases of plaintiffs who have failed to comply with the CMO.
